

Fuel Card Program

Providing innovative ways to manage your fuel costs.

The Department of Administrative Services (DOAS) Fuel Card Program offers state and local governments a solution for managing fueling needs.

Program Services

The DOAS Office of Fleet Management works in partnership with Wright Express (WEX) to offer a total fuel management program at no cost. The program features a universally accepted fuel card that can be used at more than 7,000 locations in Georgia and 170,000 facilities throughout the United States. Other benefits include 24/7 customer support, fuel purchase tracking, tax exemption capabilities, and a secure method for making fuel purchases.

Fuel Management Tracking

Our fuel management system provides on-line access with free electronic tracking of your fuel card expenditures. Specific offerings include:

- Fuel expenditure reports
- Electronic billing
- Account information including transaction details, costs, etc.
- Ad hoc reports

Tax Exemption Capabilities

For vendors participating in the tax exempt program, federal excise tax from gasoline purchases and state and county sales taxes from both gasoline and diesel purchases are automatically deducted. Tax exemption provides a savings of approximately 22 cents per gallon.

Security Features

The fuel card program provides a secure method for making fuel purchases by utilizing the following features.

- Individual card assignment for each vehicle
- Personal Identification Number (PIN) assignment for each driver
- Customized spending limits and purchasing controls
